Assessment NO.: AN05T4758, Notice#1

Question #1: User manual: The user manual does not contain FCC15.21 user information and RF exposure statement. Please revise the user manual.

Question #2: FCC ID label format lists an incorrect FCC ID. Please revise the FCC ID label format.

Question #3: Schematics: Please extract page 2-4 from Schematics and save it as Antenna Specification Exhibit. You may wish to add Antenna Specification on the confidentiality letter.

Best Regards,  
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
