How To Operate :

1. Open battery door and snap in 9 volt battery (not included) per unit.

2. Turn ON/OFF switch to ON.

3. Adjust the headband and the microphone. When transmitting, speak clearly in a normal voice.

This equipment has been tested and found to comply with the FCC Part 15 Class B digital device limits for radio frequency emissions. These limits are designed to protect residential environments from radio frequency interference. It is intended for use in homes and in the vicinity of schools, hospitals, nursing homes, and other sensitive areas. This equipment generates, uses, and can radiate radio frequency energy and, if not properly shielded and used in accordance with the instructions, may cause harmful interference with radio communications. However, there is no guarantee that interference will not occur in a particular installation. If the equipment causes interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to make adjustments to the equipment or reposition the antenna. Contact the dealer or an experienced radio/TV technician for help. If such help is required, contact the manufacturer.

Handset not included by the manufacturer may vary slightly to match the receiver.

Check the operation of the equipment and receiver.

Close the equipment lid and snap it to a closed position.

FCC ID: R5180902
MADE IN CHINA
This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

2 HEADSET

WALKIE TALKIES

BATTERY INSTALLATION :
1. Remove screw and open battery cover.
2. Install 2 new "9V" batteries. Batteries are to be inserted with the correct polarity.
3. Replace the battery cover and tighten screw.

We recommend using alkaline batteries. Do not mix old and new batteries. Do not mix alkaline, standard (carbon zinc), or rechargeable (nickel-cadmium) batteries.

WARNING :
The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment, such modifications could void the user's authority to operate the equipment.

- CAUTION :**
- Your transceiver set has been fully adjusted prior to shipment from the factory, and be sure not to touch the internal components other than replacing the batteries.
 - When the sound becomes weak, it is time to change the batteries.
 - After use, always turn the ON/OFF switch to OFF position.
 - Keep your set in a dry and clean place.
 - Take out the batteries when headset walkie talkies are not in use.

2 CASQUES D'ÉCOUTE

ÉMETTEUR-RÉCEPTEUR

INSTALLATION DES PILES :
1. Dévissez et ouvrez le couvercle des piles.
2. Mettez deux piles neuves de 9 volts. Les piles doivent être insérées en faisant correspondre la polarité.
3. Remettez le couvercle et vissez.

Nous recommandons d'utiliser des piles alcalines. Ne pas mélanger les anciennes avec les neuves. Ne pas mélanger les piles alcalines avec les standard (carbone et zinc) ou les piles rechargeables (nickel-cadmium).

AVERTISSEMENT :
Le fabricant n'est responsable d'aucune interférence de radio ou de télévision causée par des modifications non autorisées sur cet appareil. De telles modifications pourraient empêcher l'utilisateur de le faire fonctionner.

- ATTENTION :**
- Votre appareil a été entièrement réglé avant d'être expédié de l'usine. Ne touchez à aucune pièce interne autre que les piles.
 - Lorsque le son faiblit, c'est le moment de remplacer les piles.
 - Quand vous n'utilisez plus l'appareil, éteignez en mettant l'interrupteur ON/OFF sur OFF.
 - Gardez votre appareil dans un endroit propre et sec.
 - Enlevez les piles lorsque vous n'utilisez pas l'appareil.
