

Description for adding new equipment code

To Whom It May Concern:

We would like to inform you that the device will add a new equipment code "6CD". The original granted information is FCC ID: RAS-MT7902; Original grant 6XD/NII/DTS/DSS cert., approval date: 05/03/2022;

For indoor client power mode: EMC and SAR of 6XD reports were submitted again.

For standard power mode: we performed all the testing items of EMC and SAR except the Frequency Stability and Contention-based Protocol which refer to 6XD EMC testing report.

For the details condition: we also addressed it on the 6CD testing reports.

If you have any questions, feel free to contact us. Thank you.

Sincerely yours,

Regards,
