

Arcadyan Technology Corporation

No.8, Sec.2, Guangfu Rd.,Hsinchu, 30071 Taiwan

TPC Declaration Letter

Date: 2017/9/26

FCC ID : RAXWN9711

To Whom It May Concern:

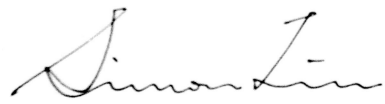

We, Arcadyan Technology Corporation, declare that the EUT (Model Name: WN9711BTAAC-YA) is slave device and channel used is defined by master device. Also, the EUT supports Master mode in 5GHz Band 1 and Band 4 only. Currently, the software and associated drivers to support TPC are built into the device firmware.

Regards,

FCC Grantee contact person information.
