Request for Class II Permissive Change

FCC ID: RAYSHGEN2

Date: May 26, 2017

TO: Federal Communication Commission

Please be notified that we, the undersigned, Navico Auckland Limited declare that the reasons for this Class II permissive change are as below: Add model MM80-HR

Between new model MM80-HR and certified model SonicHub 2:

The RF electrical circuit design, layout, components and internal wiring are identical.

Apart from the removal of the VIDEO OUT terminal (which is not used in the MM80-HR), so that, the components and LAYOUT around the video out terminal is minor change, page 2 show the difference.

Thank you.

Sincerely.
