Subject: Application for FCC Certification of a Proximity Reader Family

Applicant: Interflex Datensysteme GmbH & Co.KG
FCC ID: RPCXXP60W0X
Correspondence Reference Number: 26341
731 Confirmation Number: EA886781

Dear Mrs. Poole,

as we told FCC with our letter IF351_02 from 12/17/2003 contains the marked exhibits confidential technical data, which would customarily be guarded from competitors. So these documents are not released for the public inspection.

Internal photos: The layout from the top and bottom side, the placement information and the antenna construction information are confidential. These construction information are only for FCC approval procedure. Whereas the internal photos from the assembled readers “Internal_photos_P60W0x”, “Internal_photos_HDP60W0x” are free for public notice. These photos were made specially for FCC, because in the running production the pcb is resin coated and the pcb details are not visible.

Attached to this application you will find all confidential exhibits listed in the table. The listed exhibits pertaining company confidential information. Interflex Datensysteme GmbH & Co.KG requests that these documents regarding this submission for FCC ID RPC xxP60Wxx be kept confidential pursuant to 47 CFR § 0.457 and 0.459.
