Hi Mike,

Question #1: MPE estimate contains in the section 7.5 of test report is wrong. Please revise your Mpe calculation.
(Ting): [Please refer to the revised test report.](#)

Question #2: Please provide installation instruction to show how the end user will install the internal and/or external antenna in a desktop computer.
(Ting): [We will provide a revised installation guide later.](#)

Question #3: What is the antenna connector type of internal antenna.
(Ting): [It is a standard connector with U.FL type.](#)

Question #4: Will the WLAN PCI will be sold with external and internal antenna together or only one type of antenna will be sold ?
(Ting): [Only one type of antenna, either the external antenna of Model DWL-G520e or the internal one of Model DWL-G520i, will be sold and shipped.](#)

Best regard,

Ting
