Columbia, MD 21046

To whom it may concern:

Test date listed on the test report is more than a year old.

I do attest that the Field strength and/or RF Output readings remained the same or are lower than the originally approved product and that they did not increase therefore qualifying this product for this application type.

Sincerely,

A handwritten signature in black ink that reads "Dennis Findley". The signature is written in a cursive style with a large, looping initial "D".
