

The image shows the back of a black, glossy electronic device, possibly a portable music player or a small tablet. The device has a curved top and a central rectangular area where a label is placed. Above the label, the words "MADE IN CHINA" are embossed. Below the label, there is a small circular hole and a larger rectangular opening. The background is a patterned surface with a repeating geometric design.

FCC ID: RU2832927MHZ

MADE IN CHINA

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
