From: Alcatel Internetworking  
Subject: Justification for Class A classification of the following products  
**FCC: RUT1200ABG RUT1200BG**  
**IC: 1737G-1200ABG 1737G-1200BG**  
Date: 5 Mar 2004

Gentlemen,

The purpose of this letter is to provide justification for classifying the above products as Class A. The devices are similar IEEE802.11 access points with the exception that they are either A/B/G or B/G radios as indicated by their ID's

The Alcatel Omni Access series of products is intended only for industrial / corporate environments. Marketing of the products will not be targeted at individuals for residential use. The Omni Access will not be available for purchase at consumer oriented retail outlets.

If any further information is required, please do not hesitate to contact me at the email address below.
