Re: Change of Identification Authorization  
FCC ID: O63GH9457LD02  
Date: June 18, 2005

To whom it may concern,

The letter grants authorization for representatives of Toptrend-Meta Information (Shenzhen) Inc. to apply the FCC for a change in identification as specified under part 15 of the FCC rules. This authorization applies to Lionda Technology Co., Ltd. GH9457, FCC ID:O63GH9457LD02, granted Feb. 01, 2002. The new ID for Toptrend-Meta Information (Shenzhen) Inc. is RWSXG2206TM05. The equipment is electrically identical the only difference is the labels on the device. The original test results continue to be representative of and applicable to the changed equipment.

Should there be any questions, please feel free to contact us.

Sincerely,

Yan Ming Sheng  
R&D Director
