

TCB-1) It is still unclear as to whether the AC powered devices were tested while transmitting. Please clarify.

Applicant-1) **In regard to your request for information, I hereby submit the following documentation for your approval. I am uploading a resubmittal of the report body. You asked if the AC powered devices were transmitting during the conducted emissions test. Please refer to section 4.1 of the report number A40604F1 for the description. You also asked for the proposed drawings of the enclosures with the FCC label location indicated. I will also upload these drawings. If you have any questions please feel free to contact me. Sincerely, Ruby Hall**

TCB-2) Since the enclosures for the devices are not provided, please submit drawings of the proposed enclosures, including the location of the FCC label for each.

Applicant-2) **The proposed drawings of the enclosures with the FCC label location indicated. I will also upload these drawings.**
