Subject: Class 2 Permissive Change (C2PC) Request

FCC ID: S8OHYPER1730

To whom it may concern

In accordance with §2.1043: Changes in Certified Equipment, Alert Metalguard ApS hereby requests a class 2 permissive change to FCC ID: S8OHYPER1730 as detailed below

The change is to add new host products with Checkpoint Systems Inc. antenna housing types listed. There have been no changes to the antenna pcb, and the antenna types used are of similar construction with equal or lesser effective gain than those tested in the original FCC ID: S8OHYPER1730 filing and no further testing is required.
