**RE: Request for confidentiality regarding application for certification of
FCC ID: SEASENSOR30**

To Whom It May Concern:

Pursuant to Sections 0.457 and 0.459 of the Commission's rules, Ubisense Limited hereby requests confidential treatment for documents filed with the Commission in connection with the application for certification referenced above as follows.

Permanent Confidentiality

Ubisense Limited requests that the Commission withhold the following documents from public viewing indefinitely:

Exhibit Type	File Name
Schematic Prints	Ubisensor30v1 Schem.pdf
Parts List	Ubisensor30v1 PartsLst.pdf

These documents reveal detailed technical and design information that is protected by Ubisense Limited as confidential and proprietary trade secrets. This information has been disclosed to those required to maintain its confidentiality, and is not customarily disclosed to the public even after commercial release of a device. As a result, disclosure of this information by the Commission would harm Ubisense Limited by giving competitors an unfair market advantage even after commercial release of the device.

Sincerely,

Dr Andy Ward
Chief Technology Officer
