Subject: supplement for SGC00001

Dear Bill,

Here are our answers for the subject

1. An updated MPE report is uploaded.
2. An updated manual is uploaded
3. An updated label is uploaded

Also, I will enlarge the setup photo next time for your check comfortable. As I looked, You are still young and full of power and sense of humor.

Please review the information we submitted

Thanks for your help.
