RE: Request for Confidential Treatment from public disclosure of the schematics, block diagram, circuit and block diagram description, and related technical documentation

Gentlemen:

Always On Wireless, Inc., a Texas corporation, would like to request that the schematics, block diagram, circuit and block diagram description, and related technical documentation submitted with the application for certification be withheld from public disclosure per Section 0.459 of the FCC Rules. This confidentiality request is made under the provisions of Section 0.457(d) of the FCC Rules and Section 552(b)(4) of the Freedom of Information Act. The various items contain proprietary, confidential and trade secret materials, which would not customarily be made available for public inspection.

If you have any questions, please do not hesitate to contact me at 713-213-3298.

Sincerely,

James A. Knight
