

1 PRODUCT LABELLING

1.1 FCC ID LABEL AND LOCATION

As the device under is too small to bear the entire FCC statement only the FCC will be engraved on the plastic envelope of the EUT. The FCC ID and statement are also written in the user guide and CDROM provided with the equipment as shown by the beneath diagram

FCC ID engraved at the bottom of the device and written on CRDROM

The user manual also provides the information, required by section 15.105, to the user. The compulsory statement is placed in a prominent location in the manual: (see user manual abstract given in exhibit 4)
