Re: FCC ID: SM6-LMXR

To Whom It May Concern:

The following application is submitted on behalf of our client, Mueller Systems, LLC, for evaluation of their model Repeater Plus Module for a C2PC certification under FCC Part 15.247.

This filing is a C2PC to show compliance in new portable host device MS-H4-RADIO-V2. Device is co-located with FCC ID: A8TBM78ABCDEFGH

I have reviewed the application and supporting documentation and have found them to comply with FCC requirements. I recommend this application for certification.

Yours sincerely
