November 20, 2004

To Whom It May Concern:

Pacifica International would like the following submitted exhibits treated as confidential material:

1. Schematic of the GP850A booster amplifier
2. Block Diagram of the GP850A
3. Operational Description of GP850A
4. Parts List/Tune Up information of GP850A

We feel that the design of GP850 has a major advantage over competitors. We are also in the process of submitting for a U.S. patent. We appreciate your consideration in this matter very much.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Udom Vanich". The signature is fluid and cursive, with the first name "Udom" and last name "Vanich" clearly distinguishable.
