FCC PCII Certification Request for ARCHOS 80 Cobalt (FCC ID : SOVAC80CO)

There is no hardware or electrical modification made to the applying transmitter itself,
But because of the needs of production, we added external adapter to test for Original product..
The adapter Input: 100-240V, 50-60Hz, 0.3A Output: DC 5.0V, 2A
We will take the adapter with the production in the sales market.

A handwritten signature in black ink that reads "Yves Gregoire". The signature is written in a cursive, slightly slanted style.

Signature

Yves Gregoire/ Head of Research and Development
