Tips:
If the mobile phone can not be powered on for the first
time, charge it for about 30 minutes and try again please.
Press and hold the power key for about 10 seconds to
force the mobile phone shut down.
The battery is not removable,do not remove the rear cover.
The information on the protection sticker is important,
please keep the sticker with your warranty or user guide,
to ensure a better after-sale service.
