

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or

television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Warnings and Precautions

- **WARNING:** To prevent fire or shock hazards, do not expose this unit to rain or moisture.
- **WARNING:** Do not place this unit directly onto furniture surfaces with any type of soft, porous, or sensitive finish. As with any rubber compound made with oils, the feet could cause marks or staining where the feet reside. We recommend using a protective barrier such as a cloth or a piece of glass between the unit and the surface to reduce the risk of damage and/or staining.
- **WARNING:** Where the mains plug or appliance coupler is used as the disconnect device, such disconnect device shall remain readily operable.
- Note : This device uses an internal rechargeable lithium-ion battery that should last the lifetime of the device. If you suspect your battery may be dead after several attempts to charge, please contact 1-888-999-4215 for support.
- Never disassemble the unit or attempt to remove the battery as that could cause leakage of an electrolytic substance.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

THE MANUFACTURER IS NOT RESPONSIBLE FOR ANY RADIO OR TV INTERFERENCE CAUSED BY UNAUTHORIZED MODIFICATIONS OR CHANGE TO THIS EQUIPMENT. SUCH MODIFICATIONS OR CHANGE COULD VOID THE USER'S AUTHORITY TO OPERATE THE EQUIPMENT.

Pairing a Bluetooth Device

1. Turn on the unit using the **Power** switch. The **Pairing/Line In Indicator** will flash blue slowly and the unit will enter pairing mode.
When pairing, remain within 3 feet of the unit.
2. Using the native controls on your Bluetooth device, select the "ISB03" in your Bluetooth settings to pair.
If your device requests a password, enter the default password "0000". Refer to the user's manual for your specific device for instructions on pairing and connecting Bluetooth devices.
3. When successfully paired and connected, the **Pairing Indicator** will display a solid blue light and a beep will sound from the unit.
*After initial pairing, the unit will stay paired unless unpaired manually by the user. If problems arise with pairing, press the **Pair** button to begin pairing again.*

Playing Audio Wirelessly

1. Follow the instructions for Pairing a Bluetooth Device.
2. Use the native controls on the connected Bluetooth device to select a track.
3. To play, pause or skip the selected track, use the native controls on the connected Bluetooth device.
4. Audio played through the connected device will now be heard through the speakers.

Using the 3.5mm Audio Input

1. Plug one end of a 3.5 mm audio input cable (not included) into the **3.5mm Audio Input** on the unit.
2. Plug the other end of the cable into the audio output/ headphone output on an MP3 Player or other audio source.
3. Turn on the unit using the **Power** switch.
4. Audio played through the connected device will now be heard through the speakers.

Features

- Built-in Bluetooth speaker
- Wireless range: 3 feet
- DC battery power: Requires a Micro-USB to USB cable (not included).
- Supports profile A2DP
- Supports rechargeable built-in rechargeable lithium-ion battery
- Lithium-ion battery
- Battery life: ~2 hours
- LED pairing indicator
- Micro-USB port for battery recharge
- 3.5mm audio input
- Charging cable
- Pairing button
- On/off switch
- 3 interchangeable color face plates

Fully Charged	Green light
Low battery	Alarm

Interchangeable Colored Rings

1. If there is a ring already in place, remove it gently by pulling upward on the notch at the bottom of the ring.
2. Align the new ring with the notches on the unit, and firmly press into place until a snap is heard.

Note: Do not pull the ring too forcefully as it may cause damage to the unit.
