

## 6.8 Modulation Characteristic

According to FCC § 2.1047(d), Part 22H&Part 24E & 27H& 27L& 27M there is no specific requirement for digital modulation, therefore modulation characteristic is not presented.

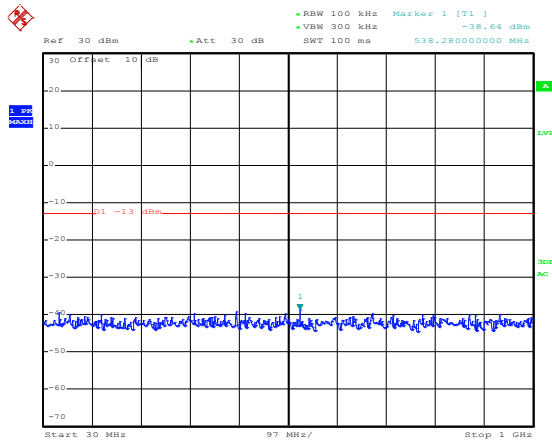

## 6.9 Out of band emission at antenna terminals

|                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
