

Hound Bytes User's Manual

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that cause undesired operation.

Caution: Any changes or modifications made to these devices could void your authority to operate the equipment under FCC Rules.

Operating Instructions:

1. Attach Speaker to dog's collar.
2. Hold the remote in your hand.
3. Press one of the six buttons on the remote and watch the startled reactions you get when your pet 'talks'.
