

Limited Warranty

EPD, Inc. warrants this product against manufacturing defects in material and workmanship under normal use for one (1) year from date of purchase. EXCEPT AS PROVIDED HEREIN, EPD MAKES NO EXPRESS WARRANTIES AND ANY IMPLIED WARRANTIES, INCLUDING THOSE OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED IN DURATION TO THE DURATION OF THE WRITTEN LIMITED WARRANTIES CONTAINED HEREIN EXCEPT AS PROVIDED HEREIN, EPD SHALL HAVE NO LIABILITY OR RESPONSIBILITY TO CUSTOMER OR OTHER PERSON OR ENTITY WITH RESPECT TO ANY LIABILITY, LOSS OR DAMAGE CAUSED DIRECTLY OR INDIRECTLY BY USE OR PERFORMANCE OF THE PRODUCT OR ARISING OUT OF ANY DAMAGES RESULTING FROM INCONVENIENCE, LOSS OF TIME, DATA, PROPERTY, REVENUE OR PROFIT OR ANY INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, EVEN IF EPD HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Some states do not allow limitations on how long an implied warranty last or the exclusion of limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.

In the event of a product defect during the warranty period, call EPD for a Return Merchandise Authorization number. EPD will, at its option, unless otherwise provided by law: (a) correct the defect by product repair without charge for parts or labor; (b) replace the product with one of the same or similar design; or (c) refund the purchase price. All replaced parts and products become the property of EPD, Inc. New or reconditioned parts and products may be used in the performance of warranty service. Repaired or replaced parts are warranted for the remainder of the original warranty period. You will be charged for the repair or replacement of the product made after the expiration of the warranty period.

This warranty does not cover: (a) damage or failure caused by or attributable to acts of God, abuse, accident, misuse, improper or abnormal usage, failure to follow instructions, improper installation or maintenance, alteration, lightning or other incidence of excess voltage or current; (b) cosmetic damage; (c) transportation, shipping or insurance cost; or (e) cost of product removal; (f) pager batteries; (g) electrical contacts, installation, set-up service adjustment or reinstallation. This warranty gives you specific legal rights, and you may also have other rights, which vary, from state to state.

The BattSwitch

Installation and Operating Guide

Embedded Processor Designs, Inc

INTRODUCTION

Congratulations on your purchase of the BattSwitch for the PlexCall system. EPD is dedicated to engineering the most innovative paging system possible. Your paging system is driven by microprocessor technology, which provides an endless array of features and convenience.

To install the Battswitch, place the unit on a flat table surface and attach with 2 one half inch wood screws. To operate the BattSwitch, press the red button, the unit will illuminate and signal the PlexCall system that service is requested. When the server arrives at the table, they should press the BattSwitch to turn off the unit.

TROUBLE SHOOTING

BattSwitch does not operate

- Check the batteries. Be sure the batteries are correctly installed.
- Install a fresh set of batteries.

FCC INFORMATION

This equipment has been tested and found to comply with the limits for a class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This equipment has been certified to comply with the limits for a class B computing device, pursuant to the FCC Rules. In order to maintain compliance with FCC regulations, shielded cables must be used with this equipment. Operation with non-approved equipment or unshielded cables is likely to result in interference to radio and TV reception. The user is cautioned that changes and modifications made to the equipment without the approval of manufacturer could void the user's authority to operate this equipment.

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference and
- (2) this device must accept any interference received, including interference that may cause undesired operation.
