## Non-disclosure agreement (NDA) Letter

Date: 2024-08-19

Subject: **Permanent Confidentiality** for FCC ID: SY4-A02052

Pursuant to sections 0.457 and 0.459 of CFR 47, we respectfully request permanent confidential treatment of the following Exhibits accompanying this application as:

- Schematic Diagram
- Block Diagram
- Operational Description
- Tune-up Procedure
- Internal Photos

1. The above materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these materials may be harmful to the applicant and provide unjustified benefits to its competitors.
2. The applicant understands that disclosure of this application and all accompanying documentation will not be made before the date of the Grant for this application.
3. We are herewith declaring that circuit boards or internal components of the unit are not accessible to users. As a matter of fact, the unit is sealed and cannot be opened without severely damaging or maybe destroying some components. The unit is serviceable by professional designated technicians directly employed by Shanghai Huace Navigation Technology Ltd. The interior of this device is not accessible to users and the device shall not be disassembled or reverse engineered, therefore the internal photographs need to be held permanently confidential.
4. All sales of the non-consumer device will be under a NDA to include third party sales and that the final user of the device is subject to the NDA.
