

TP-Link Technologies Co., Ltd.

Building 24 (floors 1,3,4,5) and 28 (floors 1-4),
Central Science and Technology Park, Nanshan, Shenzhen, China

To Whom It May Concern,

This ADSL 2+ Modem, TD-W8961ND (FCC ID: TE7TDW8961NDV3), will be sold to many different countries. Although the hardware is the same, we can use software to control product to be used on the correct frequency band. And the user can not change the default setting. Our shipping products will also be in strict accordance with the frequency of certification. We will make different default setting for different countries, so it will not cause any adverse effects.

Sincerely yours,

Name: Yongquan Wang
