

Brand Name: tp-link Model Name: TL-WPA4220

A close-up photograph of a MediaTek MT7628KN chip mounted on a green printed circuit board (PCB). The chip is a square, dark-colored integrated circuit with white text printed on its surface. The text includes the brand name "MEDIATEK", the model number "MT7628KN", the date code "2026-AFJL", the part number "BCMS6SFJ", and a unique identifier "05AA69464N40001". The chip is surrounded by various surface-mount components, including resistors, capacitors, and a small white component labeled "H400CT". The PCB has a complex pattern of green traces and white solder pads. Various component labels are visible on the board, such as "C85", "P100", "L17", "C86", "C87", "C88", "C89", "C90", "C91", "C92", "C93", "C94", "C95", "C96", "C97", "C98", "C99", "C100", "C101", "C102", "C103", "C104", "C105", "C106", "C107", "C108", "C109", "C110", "C111", "C112", "C113", "C114", "C115", "C116", "C117", "C118", "C119", "C120", "C121", "C122", "C123", "C124", "C125", "C126",
