RE: FCC ID: U6YRD-FA3221 request for supercede of information.

Please replace "original manuals 1 through 4 uploaded on 5/21/07 with new manual uploaded 9/28/07.
The reason for the action is that the original manuals contained confidential information – the new manuals do not.

Also, please replace confidentiality letter request originally uploaded 5/21/07 with the one uploaded 10/2/07. We had the item mentioning design drawing removed. It did not apply.

Last, please replace first supercede request letter with this one.

Thank you
