

COVER LETTER

June 28, 2006

- a. What the original FCC ID was on the device prior to the change in identification.

Response: Original FCC ID: **T7ZE-CMKIT001**

- b. What the date was of the original Grant prior to the change.

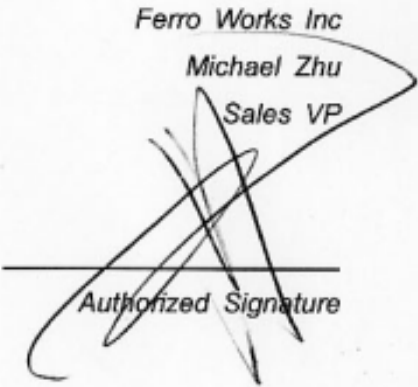

Response: Date of grant : **05/10/2006**

- c. How the equipment that Ferro is marketing differs from the original equipment.

Response: **Except the applicant changes, the EUT is electronically/electrically identical to the original equipment.**

- d. Whether or not the original test results continue to be representative of and applicable to the equipment with the new FCC ID.

Response: **Yes, the original test results continue to be representative of and applicable to it.**
