Application for a Class 2 Permissive Change to certified device FCC ID: UFW-ROCKSPOT

IDS GeoRadar S.r.l., having a business address at via A. Righi 6, 6A, 8 – 56121, Pisa - Italy, herein submits the application for a Class 2 Permissive Change to certified ROCKSPOT, with FCC ID UFW-ROCKSPOT

DESCRIPTION OF CLASS 2 PERMISSIVE CHANGES:

Concerning RF Module inside RockSpot Survey Unit, it was necessary to revise the CS and the schematic to solve the problem of 1/f-like (filckr) noise of which the board was affected. The problem was solved by replacing the receiver mixers and the variable attenuator with its control circuit, with models that introduced less noise. Please refer to Cover Letter for further details.
