Question #1: Please resubmit a clear version of schematics.

Question #2: The device shown on the FCC ID label format is not BTH-15, it is BTH-10. Please update the ID label.

Best Regards,
Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
