**Betreff:** Response to Inquiry to FCC (Tracking Number 895192)

**Inquiry:**

TCB request for guidance.

TCB Ref.: intended FCC ID: UJDFM88

b) FCC Rule part: 15.239

c) FM Transmitter for operation inside a car, according to permit but ask list 1). Equipment Class: DXX

d) The device has been tested for compliance with all provisions of Rule part 15.239, using the test procedures described in ANSI C63.4 - 2003 as appropriate. The device was tested in an anechoic chamber and was not tested inside a car.

**---Reply from Customer on 12/12/2006---**

Follow up inquiry: TC#: 787031 FCC ID: UJDFM88 Q & A and Test Report: please refer to attachments. Form 731 and all exhibits have been uploaded for FCC review.

**---Reply from Customer on 12/12/2006---**

We received the following information from our client / test lab: Dear Mr. Schmidt, The FM transmitter, UJDFM88, has been additionally tested / verified and it does work in a typical car. Best regards, Wang Wei

**Response:**

Go ahead and grant. No need for further replies. Please submit a copy of this inquiry into the filing. Thanks.
