

Engineering Change Order

Engineering Change Order	
Product Name:	LP Wireless with connector for external antenna: UNT0378
ECO #:	ECO0378-1.doc
Release Date:	Feb. 23, 2007
Author:	B. Zajac

Project Leader / Design Engineer	Production Program Manager	Manufacturing Manager	Materials Manager	Design Services Manager

Affected Assemblies (serial numbers)

Disposition of existing assemblies (specify)

- Existing inventory -
- New production

Affected Document(s) List:

Old Document	Will be replaced by
BOM0378B3.xls	BOM0378B4.xls
ASM0378A1.doc	ASM0378A2.doc
PCB0378A3	PCB0378A4
-----	MAS0378A1.pdf

Description of change:

1. Part number for ZHD1 has changed to accommodate T/R with pick-up cap.
2. Added custom RF shield (CST0422A2) to BOM.
3. PCB has been revised (solder mask opened up to allow placement and soldering of RF shield).

Reason for Change(s):

1. Shield required by FCC.
