

Annex B.iii. Photograph: Test Setup Photo

 A photograph showing a test setup inside a large, rectangular, transparent Faraday cage. The cage is lined with a dense grid of reflective material. Inside the cage, a small electronic device is mounted on a clear acrylic stand. The stand is positioned on a reflective metal surface. The background is a plain, light-colored wall.	 A photograph showing the same test setup as the first image, but from a different angle. The device is now mounted on a clear acrylic stand that is positioned on a reflective metal surface. The background is a plain, light-colored wall.
