Re : FCC ID No. UTF-DPF0002

Dear Sir,

Unicorn Manufacturing Ltd. requests acceptance of the labeling proposal described below for **digital photo frame** bearing FCC identifier UTF-DPF0002.

The product **digital photo frame** which bears FCC identifier UTF-DPF0002 is shown in the following figure.

The size of the product **digital photo frame** is 75mm x 50mm where the size of the battery cover is 50mm x 50 mm.

Because the majority of the device housing is composed of display and keys, there is limited space available to carry the FCC statement in the label. For this reason, Unicorn Manufacturing Ltd. proposes placing FCC statement in the user manual

Yours Sincerely,

Danny Wong

Engineering Manager
