Subject: Certification Application

FCC ID: UVCU2B

It is requested that the following information is to be held confidential on behalf of *T+ Medical Ltd.*

FCC Rules Part 0.459 refers.

<i>Supplementary FCC Information.doc</i>	<i>1 file</i>	<i>6 pages per file</i>
<i>tplus cradle-BOM.xls</i>	<i>1 file</i>	<i>1 page per file</i>
<i>Schematics.pdf</i>	<i>1 file</i>	<i>3 pages per file</i>

The above information is confidential because this product is a new and innovative device to the market and represents a competitive advantage to t+ medical in the market. Disclosure of this information would erode our position and may lead to financial loss and loss of market share. These documents are marked as confidential and steps are taken within the company to restrict access to them, dispose of them securely and manage their distribution. These documents should not be publicly disclosed for 20 years to provide protection to our company and product. The information contained in the materials can be combined with information in the public domain to enable competitors to recreate this design, thereby depriving the applicant of the benefits of the commercial investment made in this product.

Yours sincerely

Greg Billington
Product Development Director
t+ Medical
