

A white plastic device cover, possibly for a mobile phone, is shown lying flat on a wooden surface. The cover has a semi-circular shape on the left side and several rectangular tabs or slots along its edges. A white rectangular label is affixed to the center-left area, containing a warning in black text. To the right of the label, there is a faint, circular embossed logo that appears to be a stylized cross or a similar symbol.

**CAUTION:** Modification  
of this device is  
prohibited, and may  
result in violation  
of FCC regulations.
