Subject : Application of Class II Permissive change Authorization FCC ID: VAXINTROMEDIC

We, IntroMedic Co.,Ltd. hereby apply for FCC Class II Permissive change authorization for our product Capsule Endoscope System FCC ID: VAXINTROMEDIC.

The following change have been made to the original certified product.

Change Isolation Method.

- Delete DCDC Converter
- Connect DCDC Converter Input to Output
- Insert Safety Capacitor for AP Isolation

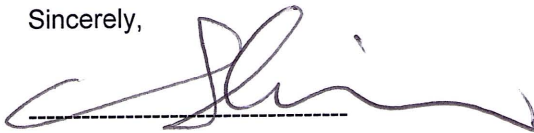

The product is identical to the previously certified Capsule Endoscope System except for the changes described above.

All other mechanical and electrical ratings are the same as original product.

Attached are the Test report, Internal/External photos, block diagram, ID Label info and User manual.

If you have any question on this application, please contact the undersigned.

Sincerely,

(Signature)
