

## DD27X (Chroma 27L) Product identification and label positions

HVIN: DD27X

FCC: VC7120-0199

IC: 8910A-1200199

FCC ID on battery cover label (not shown)

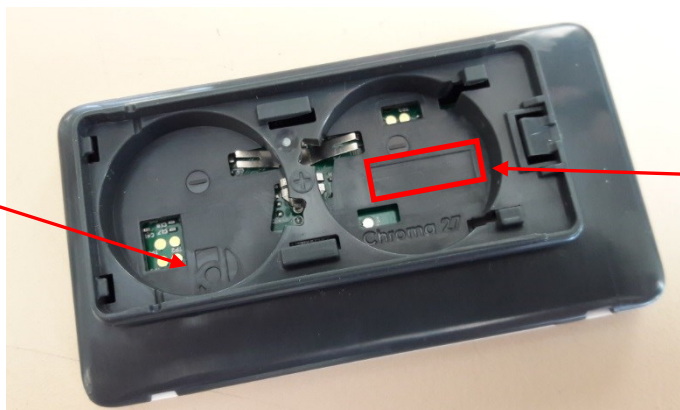

Text: "FCC ID: VC7120-0199"

Product Marketing Name (PMN) on battery cover label.

Text: "Chroma 27L"

Manufacturer's logo embossed in rear cover

Model identification label inside rear cover battery tray (not shown on this prototype)

Text: "HVIN: DD27X"

### Battery Cover - Explanatory Notes:

If the battery cover (which contains the FCC ID) is removed, the device becomes non-operational as the cells pop out and become disconnected. A special tool is required to remove the battery cover, which also cannot be removed whilst the unit is installed in typical shelf-edge installations.
