Text: "FCC ID: VC7120-0200"

Product Marketing Name (PMN) on battery cover label.

Text: "Chroma 29L"

Manufacturer's logo embossed in rear cover

Model identification label inside rear cover battery tray (not shown on this prototype)

Text: "HVIN: DD29X"

Battery Cover - Explanatory Notes:

If the battery cover (which contains the FCC ID) is removed, the device becomes non-operational as the cells pop out and become disconnected. A special tool is required to remove the battery cover, which also cannot be removed whilst the unit is installed in typical shelf-edge installations.
