

## **Acoustic Arc International Ltd.**

---

**To: FCC/ oet**

**CC: Bay Area Compliance Laboratory Corp**

### **Declaration Letter**

Dear Sir,

We, Acoustic Arc International Ltd., hereby declared:

For the marketing requirement, we need apply a new FCC ID for our product, model number: AS0730, is identical to original device AS071T (Original FCC ID: VHC-AAI-AS0710-00) such as software, circuitry, PCB Layout, RF module, Features and functionary. The differences of the mode AS0730 with AS071T are:

1. Appearance change.
2. Add the audio input cable.
3. Add the battery power supply and the control switch for selecting battery or adapter power supply.

We need apply the new FCC ID number: VHC-AAI-AS0730-00 for AS0730. The original test results and FCC ID continue to be representative of and applicable to the changed equipment.

Should there be any questions, please feel free to contact us.

Sincerely ,
