Subject: Request for Confidentiality  
FCC ID: VLJ-MH002W

To Whom It May Concern,

Pursuant to the provisions of the Commission's rules Title 47 Sections §0.457 and §0.459, we are requesting the Commission to withhold the following attachment(s) as confidential documents from public disclosure indefinitely.

These documents contain detailed system and equipment descriptions and are considered as proprietary information in operation of the equipment. The public disclosure of these documents might be harmful to our company and would give competitors an unfair advantage in the market.

- Schematic Diagram
- Block Diagram
- Operational Description

It is our understanding that all measurement test reports, FCC ID label format and correspondence during the certification review process cannot be granted as confidential documents and this information will be available for public review once the grant of equipment authorization is issued.

Sincerely,

**Hardware Version Identification Number (HVIN): MH002 W**  
**Equipment Description: Bluetooth Headset**  
**ISED ID Number: 4522A-MH002W**

Dear Sir/ Madam,

We, **[BINATONE ELECTRONICS INTERNATIONAL LTD.]** hereby requests confidential treatment of the following documents which reference the above named Application.

- block diagrams
- operational description
- schematic diagrams

These documents contain detailed system and equipment description and related information about the product which **[BINATONE ELECTRONICS INTERNATIONAL LTD.]** considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since the design is a basis from which future products may evolve, **[BINATONE ELECTRONICS INTERNATIONAL LTD.]** considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.
