RE: CONFIDENTIALITY REQUEST FOR modem AS_STW-RTR-01 with FCC ID VOI-ANMSTWRTR-01

To Whom It May Concern:

This letter serves as an official request under FCC Rule Sections 0.457 & 0.459. We have requested that the schematics, BOM, parts list, block diagram of all component, operational description, and all photos of internal components required to be submitted with this application be withheld from public view. The documents are company proprietary information that could never get into the procession of our competition.

Please contact me if there is any information you need.

Sincerely,

A handwritten signature in black ink, appearing to read "Doug Moeller", written on a light blue background.
