Re: Technical Justification Letter Pertaining to FCC ID: VQF-RT3090-1T1R

Gentlemen:

This is to justify 802.11b/g/n 1T1R WLAN Mini Card, Model Number: RT3090 is installed in a different portable host, Lenovo Ideapad S205s, model number: 20127 ; 2090 There is no change on the module hardware and the antennas used in the portable host is the same antenna type as the previous with less gain by comparing to the certified antennas included in the original modular approval, and output power remains unchanged. Therefore EMC tests are not performed.

If you have any questions regarding this application, please feel free to contact me.

Sincerely yours,

Sincerely yours,
