Change in ID of Equipment

We, SuperCom Ltd., confirm that we use the WWAN module device under FCC ID: RI7HE910 the same as it is shipped out from the original manufacturer, Telit Communications S.p.A and we have made not changes to the device. Its original tests, data, etc. submitted for the original application remains applicable to the Supercom Ltd. device as well.

SuperCom Ltd. has indicated new device with FCC ID: W5P-HE910.

Thank you,

Zeev Lavi,
Project Manager

A handwritten signature in blue ink, consisting of several loops and a long horizontal stroke, is written over the printed name and title.
