

Annex B.iii. Photograph: Test Setup Photo

 A photograph showing a wooden table in a room with a grey floor and a grey wall. On the table, there is a blue electronic device connected to a power source and some cables. To the left of the table, there is a grey metal equipment unit with various cables and a power strip. The floor has some yellow and orange markings.	 A photograph showing a side view of the conducted emissions test setup. It features a wooden table with a blue electronic device on it, connected to a power source and cables. The background shows a grey wall and some equipment on the floor.
Conducted Emissions Test Setup Front View	Conducted Emissions Test Setup Side View
 A photograph showing a radiated spurious emissions test setup below 1GHz. It features a large, white, rectangular metal frame structure. Inside the frame, there is a blue electronic device connected to a power source and cables. The floor is covered with a reflective surface.
