See what your SmartCamera can do for you

**Balances privacy and clarity** by automatically turning off when family members are around and on again when the house is empty.

**Helps you check in** with real-time conversations through your mobile device and SmartCamera.

**Provides a full view of home** by tilting you pan and tilt to view images from the mobile app.

**Keeps you informed** with notifications for anything that requires your attention or for the moments that matter.

For details on these features and to discover new ones, go to [ecobee.com/smartcamera-features](http://ecobee.com/smartcamera-features)

Voici ce que votre SmartCamera peut faire pour vous

**Assure un équilibre entre l'intimité et la sécurité** en s'éteignant automatiquement lorsque les membres de la famille sont présents et en s'allumant lorsque le domicile est vide.

**Écoutez les conversations** en temps réel par le biais de votre appareil mobile et de SmartCamera.

**Offre une vue complète du domicile** au moyen des fonctions de panoramique et d'inclinaison afin de visionner les images depuis l'application mobile.

**Recevez des notifications** pour toute anomalie nécessitant votre attention ou pour toute situation d'intérêt.

Pour en savoir davantage sur ces fonctionnalités et pour en découvrir de nouvelles, rendez-vous à [ecobee.com/smartcamera-features](http://ecobee.com/smartcamera-features)
