

Model:PLL-1C Remote

1. Battery 12V,Typ A23 (1x)
2. Standby Current:30 μ A
3. Transmission Power :<0.1mW
4. Frequency:433.92MHz

FOR HOME USE ONLY

FCC ID: WRT-PLL-1CREMOTE

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference; and
- (2) this device must accept any interference received, including interference that may cause undesirable operation.
