TO WHOM IT MAY CONCERN

Roche Diabetes Care, Inc. is seeking an original certification to FCC 15.247 for the Accu-Chek Guide Link blood glucose meter (FCC ID: WX3-401). The meter incorporates Bluetooth Low Energy (BLE) technology. The radio is based on the CC2541 System On Chip (SoC) from Texas Instruments. Testing was performed by Element Materials Technology (See Report # 7LAY0086).

Sincerely,

A handwritten signature in black ink, appearing to read "Tony Heleine".
